# THE CLUBHOUSE

The main hub of Ham Polo Club is the beautiful and unique Clubhouse.

Exclusively yours.

The Clubhouse can seat 144 people for a dinner dance and has all the AV requirements for speeches, presentations, dancing, dinner, outdoor drinks, alfresco BBQs and much more!

Unique to the space are the grape vines within the ceiling of the dining area. Bringing that sense of the outside in, they really define the space and will leave your guests with a big "wow". The vines in the space are faux so the space will be ready for your event all year round!

Within the space is also a projector and screen, PA System, bar, soft seating area and space for dancing.

# THE ROOF GARDENS

With a 360 views of the entire ground of Ham Polo Club, the Roof Gardens is a great space for receptions, BBQs, team building activities and alfresco dining.

The space is covered by a stretch marquee in the summer periods making the space usable come sunshine or rain.

During Polo Season (May to September) it is the perfect vantage point for you to watch some polo after an all day meeting, network and relax.

# CATERING

BRINGING THE 'WOW' TO YOUR EXPERIENCE

Ham Polo Club is extremely excited to be working with Vanilla Bean Group which is our new caterer. VBG is run by Gareth Palmer and Victor Aguirre who you will see often at the clubhouse during the season.

Gareth says: "Food is at the heart of our business. We embrace each season, supporting local artisan produce to enhance our creative journey in delivering an outstanding dining event experience. We pay attention to the detail in everything that we do; from the initial concept through to the final presentation.

We approach each occasion from the corporate canapé launch party to the black-tie dinner, not as a one-off catering event; but as the start of a long term relationship with each and every one of our clients. We are delighted to be working with Ham Polo Club"
